

# Push-in T-connector

stainless steel

**STAINLESS STEEL**

Art. No. 135275

Type No. 849.016 ES

Exemplary illustration

For use in more aggressive environments and corrosive media.  
The suitability test for the individual application is the user's responsibility.

## Technical data

|                         |                                                                |
|-------------------------|----------------------------------------------------------------|
| Working pressure        | -0.98 - 20 bar                                                 |
| Operating temperature   | -20 to 150 °C                                                  |
| Medium temperature      | -20 to 150 °C                                                  |
| Material                | Stainless steel 1.4404                                         |
| Medium                  | Compressed air, corrosive media (if compatible with material)  |
| Sealant                 | FPM                                                            |
| Applications            | Compressed air syst., chemical and food, pharma, pack., vacuum |
| For tube O.D.           | 16 mm                                                          |
| L1                      | 60.0 mm                                                        |
| L2                      | 30.0 mm                                                        |
| a/f                     | 24 mm                                                          |
| Suitable pipe materials | PVDF, PTFE, PA, PU                                             |

The suitability test for the use with alternative specifications is the user's responsibility.

## Commercial data

|                         |              |
|-------------------------|--------------|
| Customs tariff number   | 73072980     |
| Country of origin       | IN           |
| eCl@ss 5.1.4            | 27294201     |
| eCl@ss 9.0              | 27294201     |
| UNSPSC_Code_v190501     | 27131613     |
| UNSPSC_CodeDesc_v190501 | Air coupling |

## Material informations

|                            |                            |
|----------------------------|----------------------------|
| REACH SVHC1 substance name | no                         |
| CAS no. SVHC 1             | no CAS No.                 |
| RoHS materials notice      | RoHS compliant             |
| REACH Info                 | no SVHC substance included |

## Dimensions

| For tube O.D. | a/f | L1   | L2   | D1   |
|---------------|-----|------|------|------|
| mm            | mm  | mm   | mm   | mm   |
| 16            | 24  | 60.0 | 30.0 | 23.3 |
